Gifts that GIVE LIFE

IT DOESN'T TAKE ALOT TO MAKE A BIG DIFFERENCE

A gift from the YFC Giving Guide allows young people to become the leaders they were created to be by providing safe place and resources for physical, mental, emotional and spiritual development. These gifts keep on giving, and will GIVE LIFE to the STORIES of young people.

A gift has been given in your honour!

LUGGAGE FEES

Each member of our Project Serve high school mission team will transport a duffle bag full of donated items to bless the orphanage in Belize. This gift, given in your honour, will cover the airline fees to transport these donation duffles to Belize next year. These items will make a huge difference in lives of needy children.
